WALK OF FAME CEREMONY

HELIO CASTRONEVES

Helio Castroneves, from Sao Paulo, Brazil, won the Toyota Grand Prix of Long Beach in 2001 and captured the 1997 Indy Lights race at Long Beach as well. A three-time Indianapolis 500 winner (2001, '02, '09), Castroneves has logged 30 Indy car race victories in a career that has spanned more than 20 years. The popular driver, who gained substantial non-racing fame by winning season five of the popular television show, "Dancing With The Stars," has added sports cars to his resume, switching to the IMSA WeatherTech SportsCar Championship series in 2018 for the new Acura Team Penske program.
